

# YOUNG DAVID™

**Young David** brings to life the growing-up years of one of the greatest kings in history. Though he would go on to become a renowned leader and leave an unparalleled legacy he had to start somewhere! Young David steps into David's early life as a young teenage shepherd – with lyre, slingshot, and sheep for friends.

Rooted in Biblical context and populated with many of the actual people, places, and events David would have experienced, each episode focuses on one defining characteristic of David's remarkable life:

**WARRIOR | SHEPHERD | POET | WORSHIPER | KING**
