# SUNI

the  
SUPER UNICORN

Five-and-a-half-year-old Suni seems like your average kindergartener, wearing her favorite unicorn hoodie on fun-filled neighborhood adventures every day. But when problems come, Suni shares her God-given super strength to save the day with courage and empathy for all around her.

Inspired by 1 Peter 4:10 in the Bible, viewers of Suni The Super Unicorn will learn three unique and important lessons: God made me and loves me, God has given me a special gift, and I can use that gift to help others.
